

RECONSTITUTED LIMESTONE M4 & M3 Class Mortar (all areas, including coastal)

	C	L	S (mix ratios by volume)	
Mix Ratio For Mortar Mix M4 & M3	1	1	6	Cockburn Creme & Hylime or Cockburn Grey & Hylime
	1	0	3	Brickies Lite or Brickies Grey (already contains lime)

Note: Only use clean damp bricklaying sand. Final mortar colour will depend on mix ratio and the sand colour.

Before building retaining walls, please seek advice from a Structural Engineer.
