

QUALITY POLICY

Adelaide Brighton Ltd is a producer of Cement, Lime, Concrete, Aggregates and Masonry Products and is committed to achieving high professional standards in quality.

Our future success depends on:

- Understanding and meeting our customers' requirements
- Setting appropriate quality standards
- Ensuring our business processes are standardised, controlled and continuously improved
- Delivering sustainable, consistent product quality

The way that we conduct our business through a specific integrated management system ensures we conform to international quality standards, including ISO 9001.

A handwritten signature in black ink that reads 'Mark Chellew'.
